Mark Bresnahan

Managing Director

Mark set up Marine Fire Safety in 2000 after serving five years in the Royal Marines. He has a can-do-attitude, pays attention to detail, and encourages this throughout the team. Based at the head office in Surrey, Mark still enjoys being out working on boats when he can.

Andrew Webster

Technical Director (Scotland)

Andrew (also known as Drewie) joined Marine Fire Safety in 2022 and has over 20 years of experience working on marine fire and safety systems. When he's not on a boat, he tries to get out on the golf course to improve his handicap.

andrew.webster@marinefiresafety.co.uk

Mob:07927578805

Ronnie Wood

Senior Engineer

Ronnie has worked for Marine Fire Safety since 2018. He's gained a vast amount of experience in-house, hands-on training and through industry recognised courses. He travels extensively in the UK and Europe carrying out installation and servicing work.

A team you can
trust.
